Paper dated March 4, 2008
Attorney Docket No. 0115-062668

The above-identified application was filed in the United States Patent and Trademark Office on September 15, 2006 as an informal application. The Notification of Missing Requirements was mailed March 16, 2007 to the undersigned attorneys. On May 9, 2007, a Letter re Completion of Filing Requirements was sent to the Patent and Trademark Office by Express Mail with the Declaration and Power of Attorney. A copy is attached as Exhibit A. The Letter re Completion of Filing Requirements was received by the Patent and Trademark Office as shown by the stamped postcard attached as Exhibit B. Evidently, the papers were misplaced by the Office, so Applicant's attorneys were advised that it would be necessary to file this Petition.

It is respectfully requested that this Petition be granted since Applicant complied with the Notification of Missing Requirements in a timely manner and the application should be forwarded for examination.

Respectfully submitted,
